I'm home!
Big sis, I'm hungry!
Put your swimming clothes in the washing machine.
okaay...
I'm going to meet some friends from middle school after this.
You can eat some leftovers from the fridge.
Left-ch... overs again?
Be grateful that there are any at all.
Oh, right
Nako-chan was on the phone a moment ago.
Nako was on the phone?
SQUEEZE

ah...
That was so frustrating!
If I was 0,1 seconds faster I would've won!
I wonder if they can even measure such a difference.

If I could just go -swoosh- and swim refined like Nako-chan...
maybe I would be fast too...
pft
Refinement doesn't suit you...
You say that Shouta, but how many seconds did ya need to swim 25 meters?
eeehm... huh?
Looks like I left my pool card back there...
Nako, please hold this for me
I'm going to get it!
It's from that time...
It can't be helped; let's return it.

I'm coming!
PIN PON
I'm sorry; apparently I took the wrong one with me.
No, it's my fault too.
CLACK
You were going out of your way to return them, didn't you?
Thank you.
hm?
while I was taking a shower...
I really was going to take it with me, but...

ahaha... I see...
As usual, she has no shame...
SNIFF
SNIFF
I noticed the smell of chlorine.
And you don't notice that people can see your panties!?
Hey! I'm boiling soumen at the moment.
Shouta, why don't you have some as well?
but...
It's okay. If it's about my little brother, he is attending soccer classes with my mother.
guh...
well then...
I'll be taking up on your offer.

Sorry for the wait...

Th... thanks for the food.

A...are you again wearing such an outfit!?
Here, go ahead.

No way I'm gonna tell that a 5th grade girl... is turning me on!!
No... it's nothing.
You keep looking that way.
What's the matter?
My belly?
Don't worry.
Isn't your belly getting cold if you're not wearing clothes?
Na... Nako
Oh! I forgot to take out the ginger.
hold on...
After I have showered I'm always hot.
uuh...

H... her butt is so erotic!!
They say that ginger warms up your body, right?

That's not it...
Is the flavor too strong?

COUGH
COUGH
BUOH!
Shouta, are you okay?

This looks so misleading...
No... for Nako's sake I should be clear about it!!
Even if she ends up having disdain for me!!
Na... Nako, please... won't you... put some clothes on?
eh? but...
I am wearing clothes.
Not just underwear, at least wear a skirt or trousers.
I don't mind, but... why?
Well...
GULP

Y...
you are too erotic.
It bothers me to avert... my look.
E... erotic...
That... is not my intention!
This is bad... Have I provoked Nako too much?
Shouta
is that... how you see me?
I know that!
It's just that I'm a man... so I can't help seeing it like that.

I understand
Then, next time I'll be careful!
eehh!?
You're quick to accept it!
She's such a good girl!
Nako...
That's because I know nothing about erotics and such.
So I think it's good to listen to Shouta's warning.
ハナツ
But Nako, aren't you embarassed at all when people look at your body?
no...
しゅる

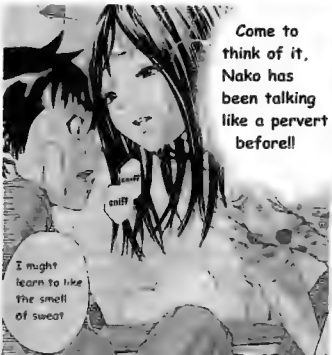
Well, that's true.
Doing things like showing off in front of people, being the only person wearing clothes that stand out...
"Shame"
That's like failing yourself or like having no self-confidence, right?
So, why is it embarrassing to be naked?
eh, well...
My body is probably not that strange...
...right?

Certainly, she has a nice body... that much is true, but....
GULP
Ah! My sunburn is a little embarassing.
You shouldn't worry about that!!
And also... the smell maybe.
I have no problem with other people's, but I feel uneasy about my own.
heeh...
When you're sweating, isn't it really embarrassing when people are smelling you?
To be honest, not at all.
You're lying! I tell you it's absolutely embarrassing!!
...even if you say so...
Then hold still.
?

SNIFF
SNIFF
ah
this is
the smell of soy sauce.
It's noodle sauce you spilled earlier, right?
SNIFF
SNIFF
I know, right?
haha...
This is the smell of the pool with... just a bit of the smell of sweat.
Well, I am a man.
A little bit of body odor is...
Are you really fine with this?
Absolutely fine.
SNIFF
SNIFF

This is... a bit of a raw smell...
It's a weird smell.
Ha!!
Hold it! Not there!!
So it's embarassing after all.
No, it's not, but...
Then one more time.
Don't!
whoa!
Wah!

ドン
ドン
!!
SNIFF
SNIFF
SNIFF



Come to think of it, Nako has been talking like a pervert before!!
sniff
sniff
I might learn to like the smell of sweat

What is this smell...
I might like it.
For real!?

SNIFF
SNIFF
SNIFF
Nako... don't tell me you're smelling my... my jacking off smell...
Are you panting!?
Because of a feeling good smell!?
SNORT
In other words... don't tell me Nako is too?
Because of my smell... her spot is?

Yan!
Just now, you were smelling, didn't you!
!

There was absolutely really no smell at all!!
ばっ
I mean, I didn't smell anything!
ah
No, no! I wasn't smelling!
